

# **SUMMER GROUNDSKEEPER**

**Reports to: Plant Manager**

**Location: Jackson, NE**

**Key Responsibilities:**

- Mowing lawns and maintaining turf areas
- Trimming around buildings, fences, and driveways
- Picking up trash and debris throughout the property
- Maintaining clean and orderly outdoor spaces
- Painting required inside production buildings on inclement weather days

**Qualifications:**

- Ability to work outdoors in varying weather conditions
- Ability to safely operate basic lawn care equipment
- Reliable and self-motivated
- Strong attention to detail

**Physical Requirements & Environment**

- Ability to lift to 40 pounds
- Frequent walking, stooping, and reaching; precision work requires strong manual dexterity and color vision
- Work occurs in an industrial setting with exposure to varying weather conditions and moderate-to-high noise levels. Use of PPE (hard hats, safety glasses, hearing protection, gloves) is mandatory in designated areas

**Preferred (Not Required):**

- Previous lawn care or groundskeeping experience
- Experience using mowers and string trimmers

**Ideal Candidate:**

This position is ideal for a student or individual looking for **flexible summer work** and hands-on outdoor experience.

**Schedule:**

Approximately **30-40 hours per week**, with hours varying depending on weather conditions and maintenance needs. Flexible scheduling may be available.
